

Night Ferry SNCF Fourgon Mail Van Dia. KIT

The SNCF Fourgon van was used in varying multiples of either one or two depending on the mail traffic from Malta but were always used with either the English guards van or the French guards van. The transfers have been created to cover both SR and BR operation when the SNCF changed to an italic style font for the SNCF. The transfers also applied to both periods for the Guards version of this van.

'OO' Gauge Night Ferry SNCF Fourgon Mail Van Dia. KIT
