

Night Ferry SNCF Fourgon Mail Van Dia. RTR

RTR £110.00 (delivery and/or collection to be arranged)

The SNCF Fourgon van was used in varying multiples of either one or two depending on the mail traffic from Malta but were always used with either the English Mail van or the French Mail van. The transfers have been created to cover both SR and BR operation when the SNCF changed to an italic style font for the SNCF. The transfers also applied to both periods for the Mail version of this van.

Product specification

- 'OO' gauge
- Hand built and finished from etched nickel-silver/brass and some cast components
- Choice of finish - gloss, satin, matt, pristine, slightly weathered or grimy underneath
