

4mm Waterslide Transfers

Night Ferry - S R & B R Sleeping Coach

Actual size.

When attaching the waterslide transfers please note that all the lettering across the top of the coach side is all on one strip spaced appropriately, not individual words.
 All the numbers of all the coaches appear on the transfer sheet that were allocated and built for this service.

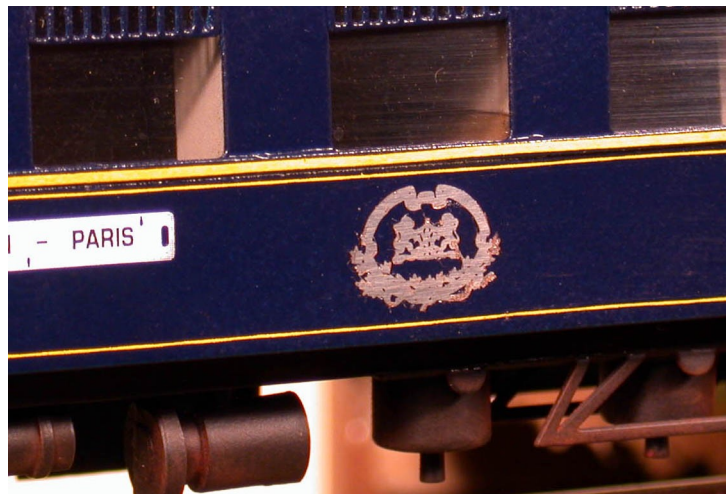

4mm Waterslide Transfers

Night Ferry - Sleeping Coach

A finished model of the sleeping coach

When attaching the waterslide transfers please note that all the lettering across the top of the coach side is all on one strip spaced appropriately, not individual words. All the numbers of all the coaches appear on the transfer sheet that were allocated and built for this service.

A close up view of the nickel silver crest on the coach.

For further information on our kit and/or RTR model of this stock please log on to www.marcmmodels.co.uk

The kit comes complete with the transfers and the RTR model will obviously already have them affixed.
